STUTTGART LASER TECHNOLOGY FORUM 2024

Highlights and innovations in the field of industrial laser-based manufacturing will bring together experts and users at the twelfth Stuttgart Laser Technology Forum (SLT) from 04 until 06 June 2024.

- The conference language is English.
- New: invited and contributed presentations!
- Call for contributed presentations will follow soon.

THE SLT TAKES PLACE IN CONJUNCTION WITH THE INTERNATIONAL TRADE FAIR FOR LASER MATERIAL PROCESSING (LASYS).

LASYS IS THE LEADING INTERNATIONAL TRADE FAIR TO FOCUS ON THE USE OF LASERS IN INDUSTRIAL MANUFACTURING.

LASYS
